Charities

The Royal Marsden Cancer Charity raises money to help The Royal Marsden provide world-class care for cancer patients, and to support the hospital's pioneering work in cancer research and education. We would like to ask that our money goes specifically towards thyroid cancer care and research.

Make a Wish Foundation grants wishes to children with life-limiting conditions, to help change their lives when they need it the most. Since being established in 1986 they have granted more than 10,000 wishes. These include amazing holidays, meeting a celebrity or starring in their own film. Dreams can come true, creating memories and providing respite from their daily struggles.

Thank you for your support tonight and your contributions to these very worthy causes.
